Reflections

Rub a dub dub, it's John Prizner in the tub!

Are you guys working on getting that "A"?

Could this be a future librarian?

It doesn't look like Julianna Mallets and Jeanine Bash are in any hurry.

Remember your first day of high school? Remember the first time you were late for class? Remember your first locker problem? Remember your first pep assembly, football game, and club? Remember looking for that elevator?

Looking back on these times may recall fond memories or bring a quiet smile of Reflection. Homecoming, skip days, the Senior Banquet, proms, "the mile," the Giant Eagle parking lot, and study halls bring a range of emotions—joy or disappointment, exhaustion or exhilaration.

Nothing causes these Reflections better than that final day of a high school career—graduation day. The caps and gowns worn with anticipation, waiting for that final high school element—a diploma. The tassel signifies triumphs and disappointments, but most of all, an ultimate accomplishment.

Yet another year is gone by at a rapid pace, not noticed until the end. All these Reflections not letting you forget some of the most important years of your life.

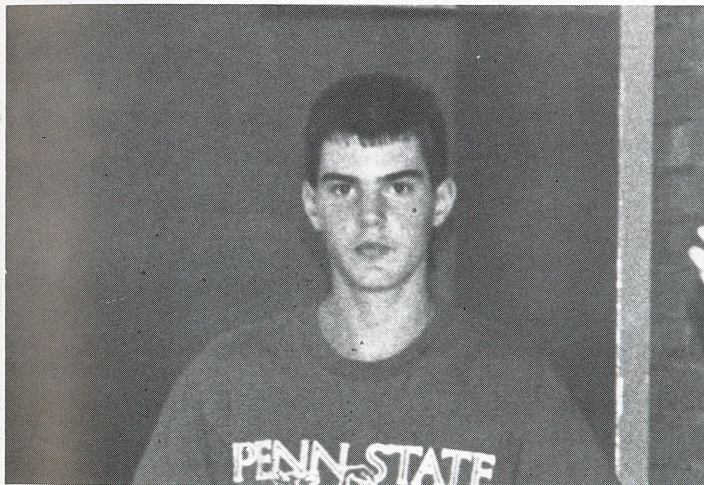

Reflections

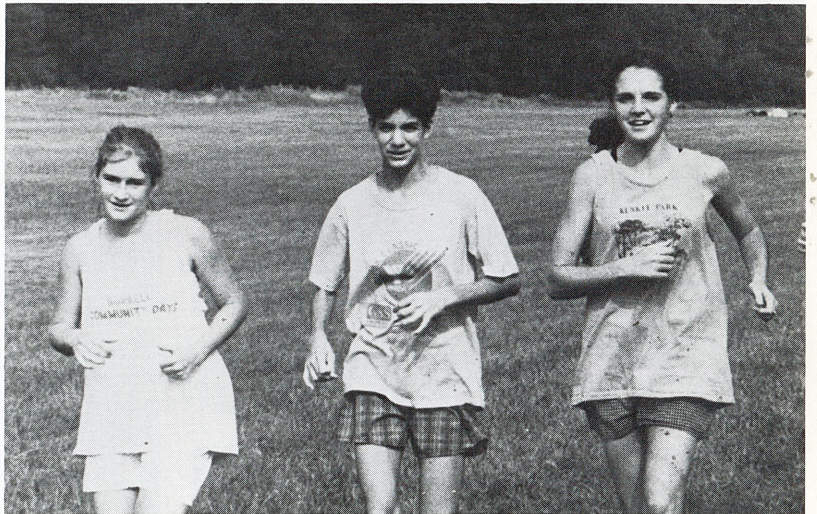

Leanne Dininno and Chrissy Baynar can't wait to start practicing.

Honestly, we're not skipping!

He looks just a little too happy to be in school!

Are we there yet?

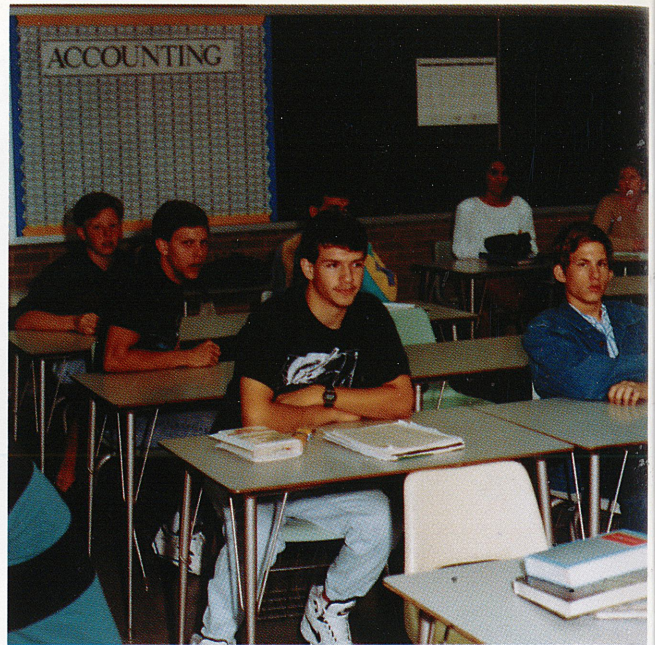

Are we conversing or are we practicing?

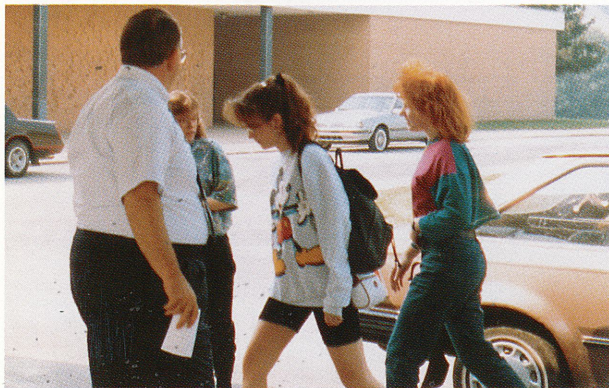

This class looks interesting!

Are you going to finish on time, Adam Lockhart?

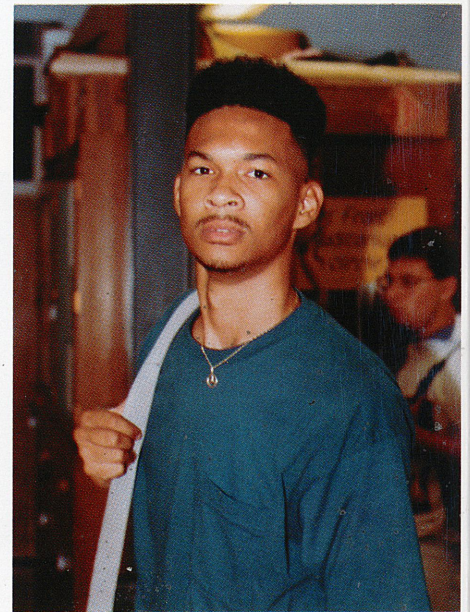

It doesn't look like this homeroom is getting much done.

Mr. Stewart loves to practice his social skills.

Scott Carver, where are you *supposed* to be?

Where are you off to, Jerome Booker?

It looks like Kelly Scott is having a great conversation with Michelle Bailey.

The 1992-93 football team faces it's opponents.

Scott Tesone ponders his next masterpiece.

Do these people look ready to go home?

Can you remember your combination John?

That's why we pray.

This seems like a productive class, don't you think?

Don't they look like true Cavaliers?

1992 - 1993 Class Officers

Seniors

Kristen Poydence, Secretary; Jeffery Reyer, President; Karen Thompson, Vice President; Christina Marco, Treasurer

With fresh new leadership roles, the Senior Class began a year that will never be forgotten. In October the traditional magazine sales began. The class goal was set at \$19,000 because of the poor fundraising done their junior year! However, class president Jeff Reyer set higher hopes and raised the goal to \$20,000. Although most seniors disliked magazine sales, the hard work and dedication paid off later in the year. April and May brought the excitement of the Senior Banquet and Sr./Jr. Prom. The night of the Senior Banquet the cafeteria was decorated brightly and filled with the aroma of good food. Various prizes and awards were given. The Prom held at Laube Hall was the last event before graduation to unite the class together as a whole. June 8 arrived quickly and the Class of 1993 was rewarded with their diplomas. As we look back on our senior year, we will have all the memories to reflect upon.

Juniors

Receiving class rings and attending the first prom are some of the events Juniors look forward to. Juniors also work hard selling candy for the prom. In addition, the Junior year can also be a stressful one. Students are expected to start planning and preparing for their future. The best thing about being a Junior is looking forward to being a Senior.

Stuart Milcic, Treasurer; Mara Kudrick, President; Jon Dykes, Vice President; Leanne Dinno, Secretary

When we started as Freshmen, we never thought that we would be more than an audience to the upper-classmen. But after one year at the "Big K," we know that's not true. We can now Reflect on our insecurities as Freshmen and laugh. We can find our homerooms without trouble and explore the tunnel, not that we know where it is. Now we can even give the Freshmen directions to the elevator! Before we know it, we will be the ones that are called to the office to get our caps and gowns.

Sophomores

Carrie Garrone, Secretary; Lana Gasperini, President; John Cullen, Vice President; Sarah Lamont, Treasurer

Freshmen

Mandy Rhodes, Secretary; Janie Dykes, President; Kara Harchuck, Vice President; Stacey Cochran, Treasurer

Along with trying to find their way around, the freshmen class has to worry about taking their first semester tests and finding a sense of belonging. That feeling of being accepted is soon achieved after they meet some new people and look forward to becoming a bigger part of the "Big K." Just three years ago while playing kickball during recess at elementary school, none of them realized that this first year of high school would come and go so quickly.

Reflections From

Mr. Balla and Ms. Turano pause from all the excitement for a quick picture.

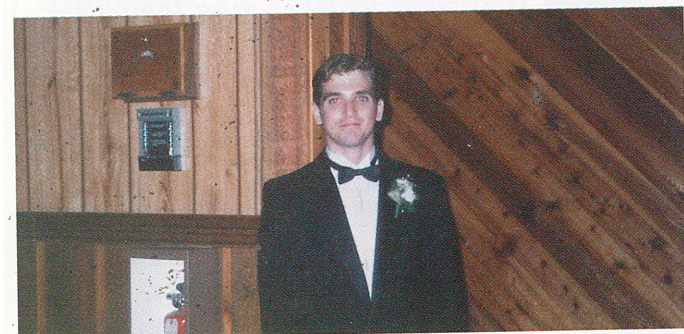

Chris looks thrilled as he waits to have his picture taken.

Jennifer Burkett and Joy Riggle wonder where their dates are.

Do you want some fries with that shake?

Ed Hartman poses for a picture while waiting for his date.

Doesn't it look like they're doing the twist?

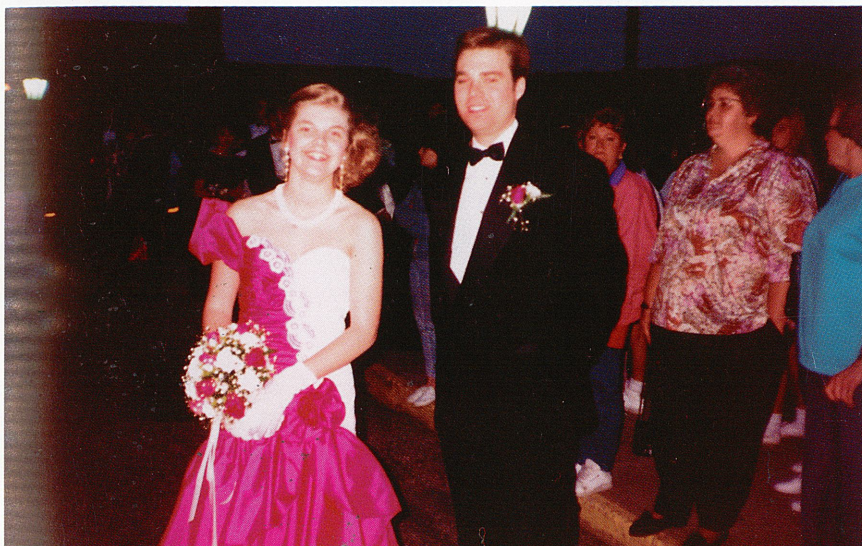

Beneath The Sea

Heather and Brian seem to be getting sleepy.

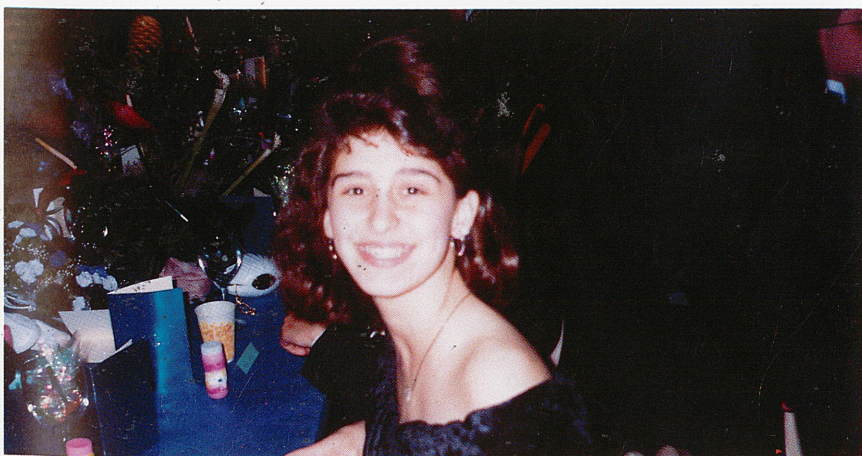

Julianna poses with Pete, anticipating their evening.

Tricia and Dave wait among the crowd to get into Laube Hall.

Caroline tries to capture the moment while someone captures her.

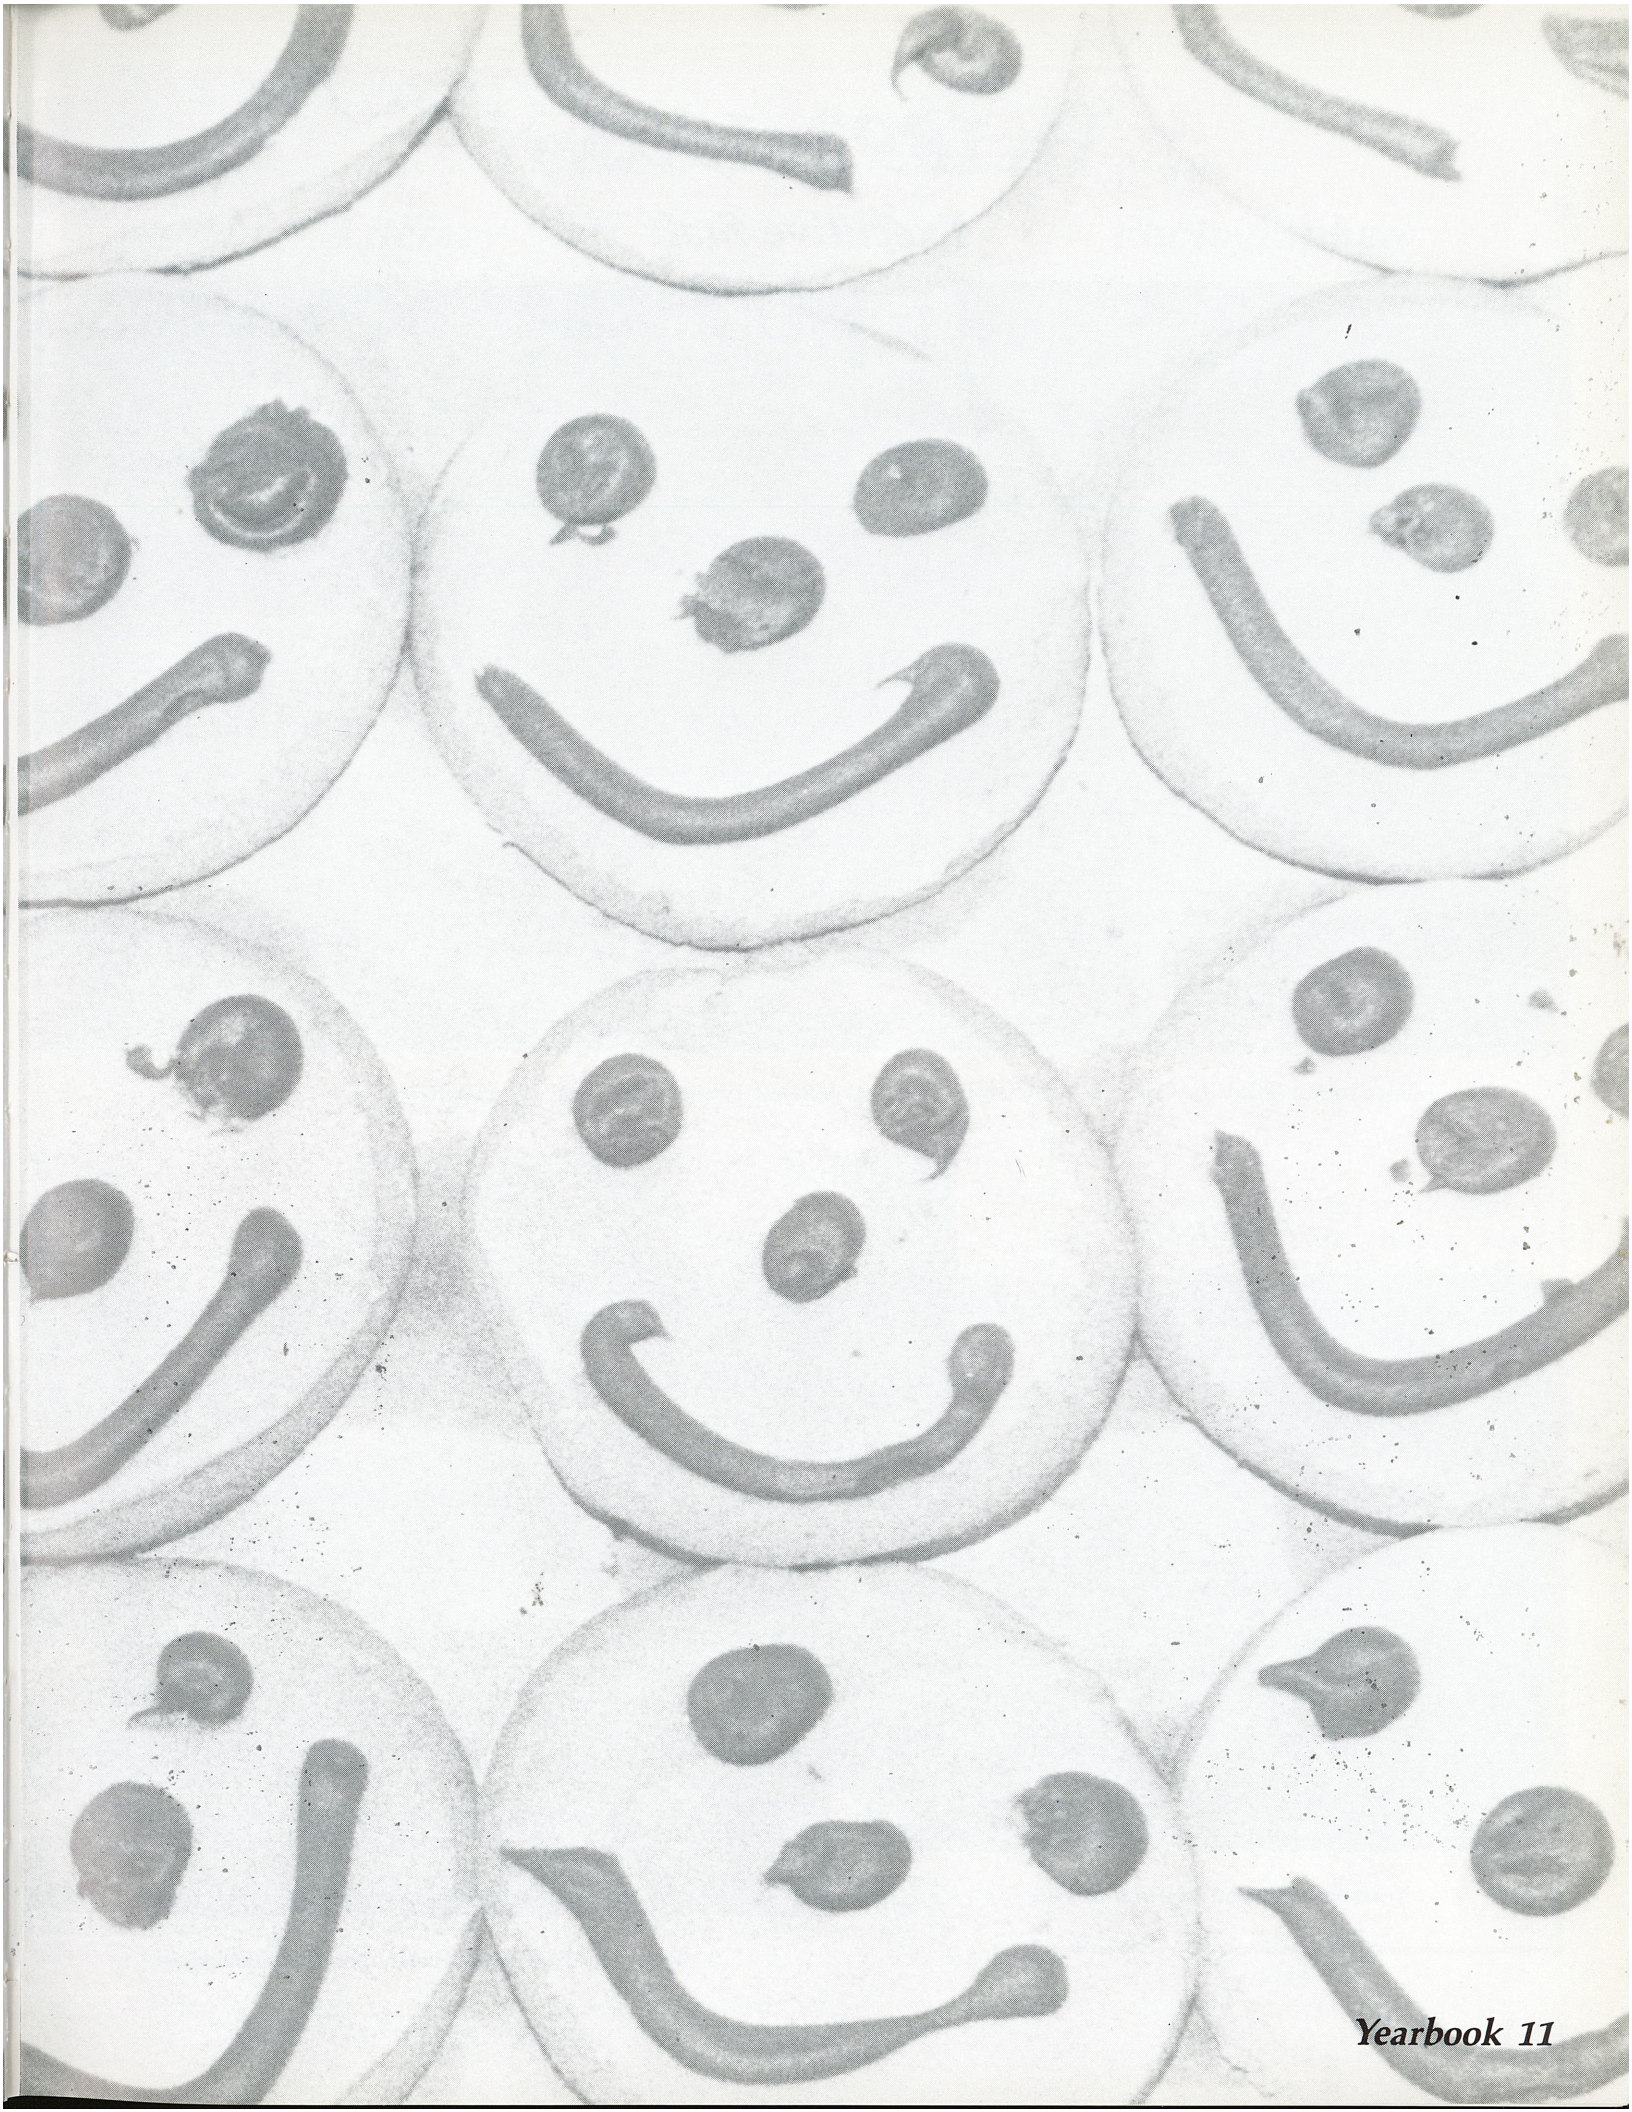

Marie looks a little too happy. What's in your drink?

Did you lose your date, Chris?

Each year a select group of dedicated students are chosen for the Campus Yearbook Staff. The 1992-93 staff began the yearbook in early July. Fundraising began with the selling of ads. On September 10, with the entire staff's cooperation, donut sales were underway. All divisions of the staff, executive, production, literary, typists, and photographers, joined in to sell messages as well as yearbooks. This years staff worked many long hours to produce a special and unique yearbook, one which reflected the many memories it contained.

The Homecoming Court takes time out to pose for a picture.

Even though it was wet and cold, Homecoming was a shining moment in the lives of the six members of the Homecoming Court and their escorts. This year's lucky ones were Gina Camilli, Jennifer Dick, Heather Hunger, Kim Kiebler, Mandy Querio, and Caroline Sazalsky. Although only one of them could be Homecoming Queen, it is certain that this experience will live forever in the memories of each member of the Court.

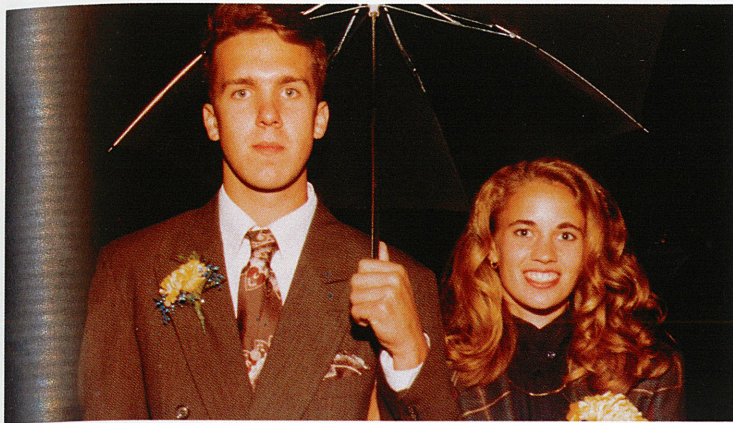

The proud family of the Crown Bearer.

The excitement is obvious on Jennifer Dick's face after being crowned.

Court

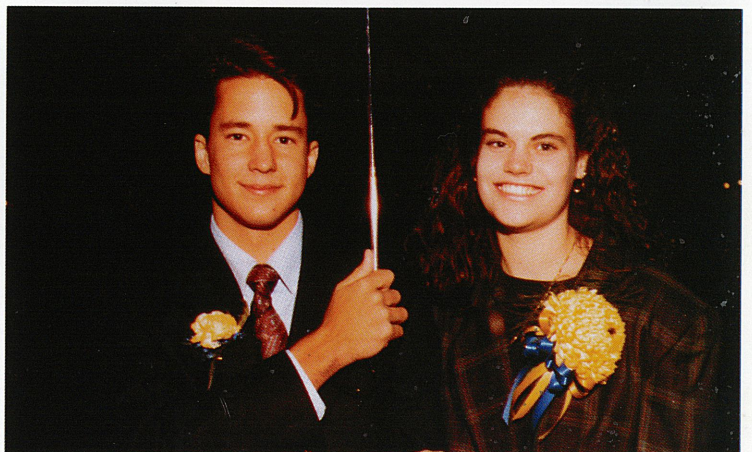

Gina Camilli and her escort Heath Shimer wait anxiously for the announcement.

Mandy Querio and her escort Jason Koziatek nervously wait during halftime.

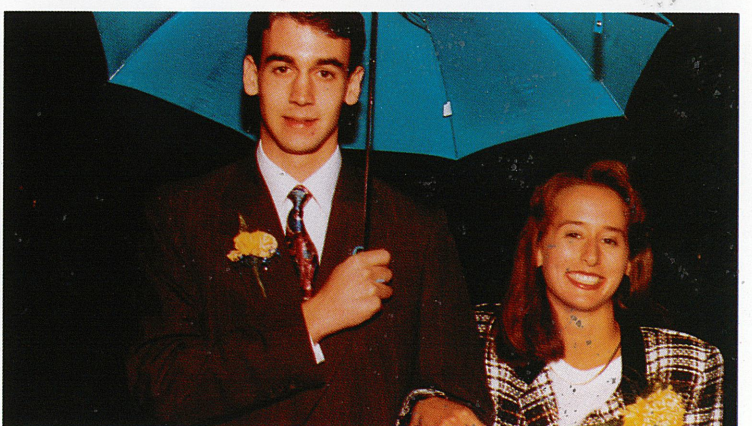

Jennifer Dick and her escort Mark Sowers smile energetically and nervously.

Kim Keibler and her escort Todd Howard smile with anticipation.

Caroline Szalsky and her escort P.J. Valente hide their nervousness with bright smiles.

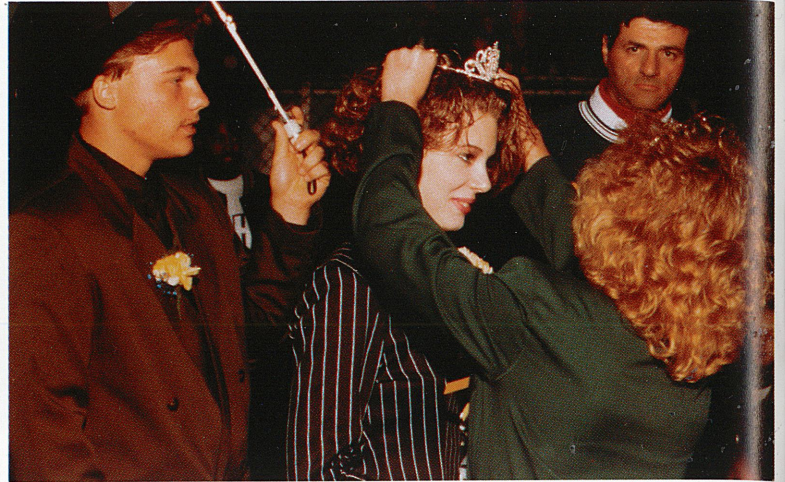

Heather Hunger and her escort Brian Corridoni smile as they wait for the big moment.

1992 Homecoming Queen

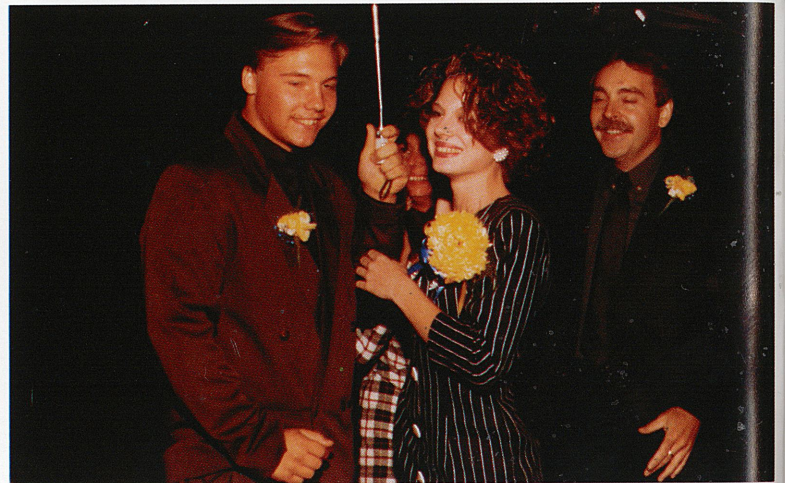

You can see the Reflection of a winner in Jennifer's eyes.

Friday, September twenty-fifth, nineteen hundred ninety-two was just another day for most, but for one special girl it is a night she will never forget. On this evening, Jennifer Dick, escorted by Mark Sowers, was crowned the 1992-93 Homecoming Queen. During halftime at Davis Field, emotions of fear, anxiety, and hope ran high, then turned to feelings of surprise, excitement, and joy. Jennifer, Kiski's reigning queen, is planning on continuing her education in the nursing field after graduation. Through time, that September night will remain vivid in Jennifer's thoughts and memories forever.

Danielle Lauffer crowns Jennifer.

Jennifer Dick and Mark Sowers smile in anticipation.

David and Beth Dick proudly pose with their daughter Jennifer and her escort.

Senior Specials

Most Likely To Succeed

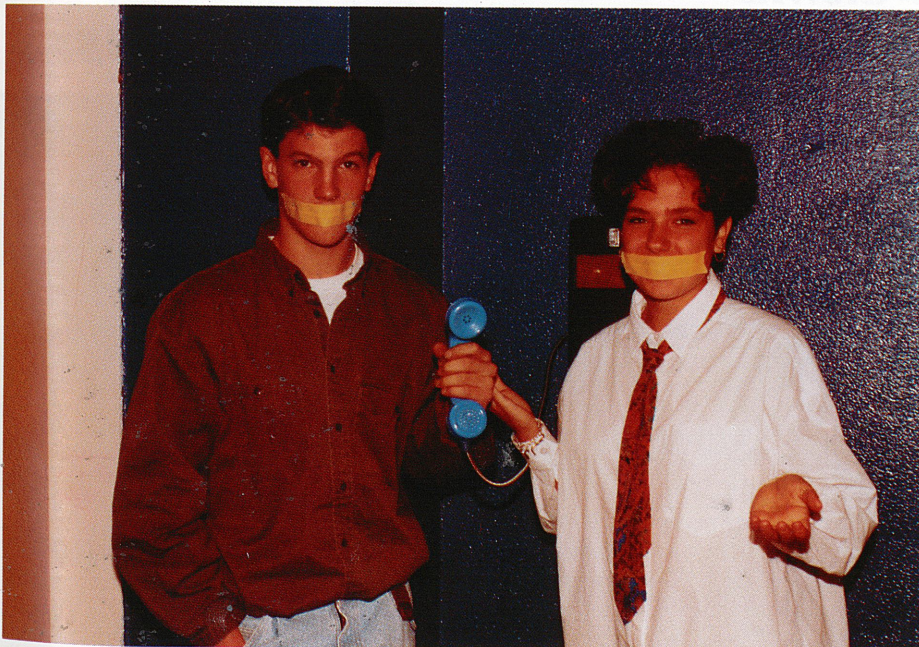

Jeffrey Reyer and Karen Thompson

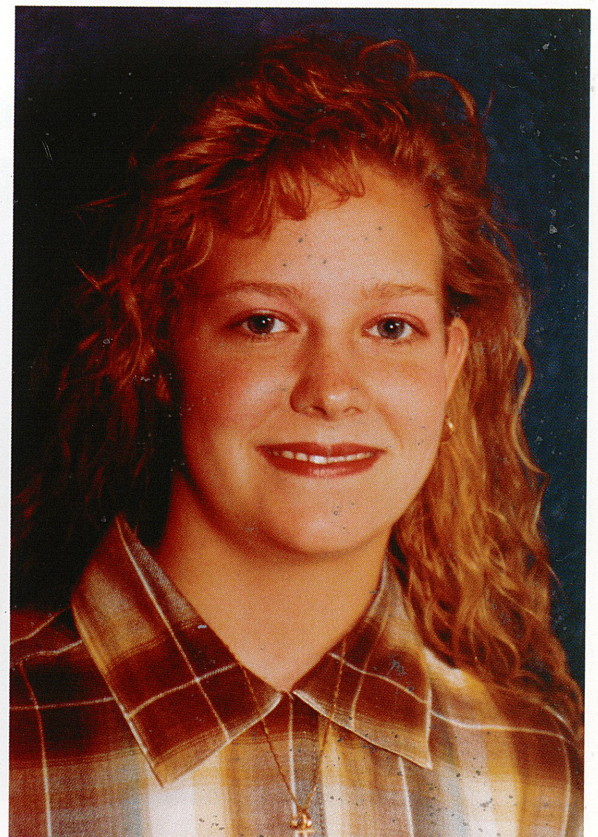

The 1993 Senior Class began the year by selecting the Senior Specials. After choosing, erasing, re-writing, and comparing each of their selections, ballots were turned in and counted. The categories varied from Most Intelligent to Most Humorous. Although these students should feel honored to be recognized by their classmates, we all know each and every senior is special.

Foreign Exchange Student

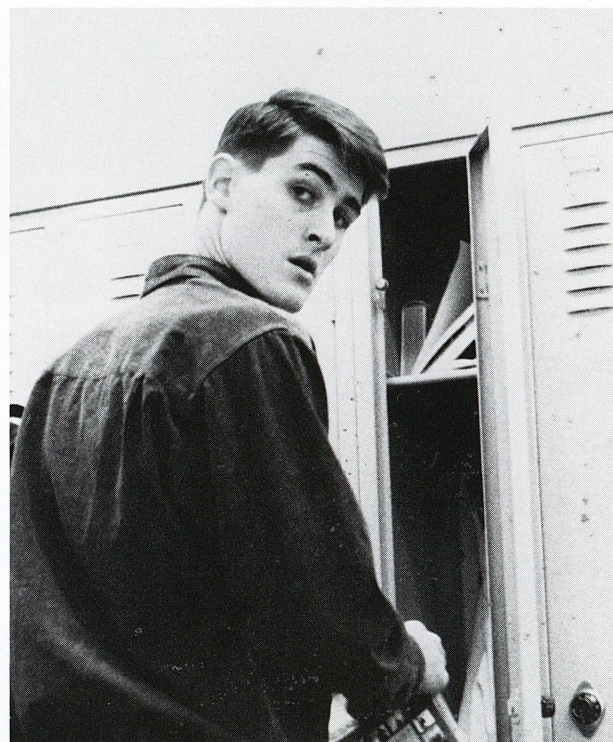

Welcome to this year's foreign exchange student, Erica Bedwell. She is 18 and from Chiupus, Mexico. Erica has adapted well to this country but she's still very homesick. She is staying with senior Amy Johnson and is currently a marching band manager. ¡Bienvenidos, Erica!

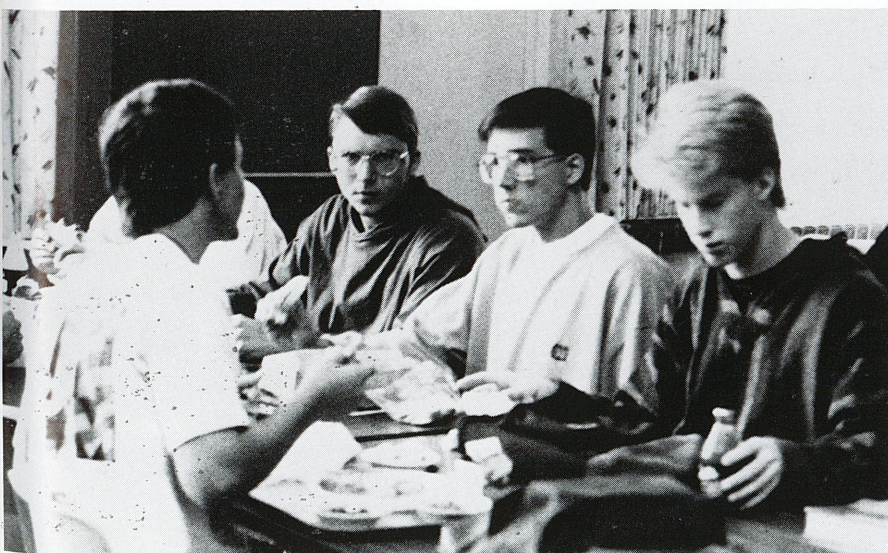

Jason Koziatsek and Rob Kozera walk leisurely to their next class.

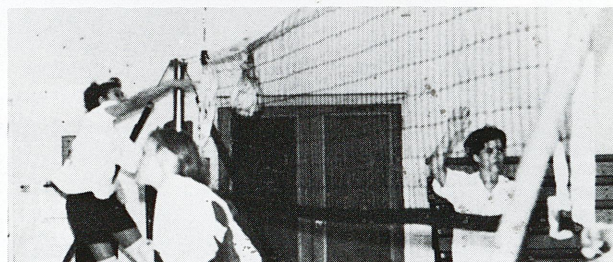

Julianna Mallets directs the "BIG K" band during band camp.

In Honor Of Mr. James Frederick, Jr We Dedicate The 1993 Campus Yearbook

James Fredrick, retired principal was an active member of Kiski's administration since 1968. He began his career at Allegheny Intermediate as a counselor. After one successful year he was an Assistant Principal at the high school. After 3 more years Kiski knew James Fredrick was an asset. It was then that he became the "Big K's" head principal. During his many years here at Kiski, Mr. Fredrick has noticed that most students have good attitudes. He also remarked that Kiski students are all well disciplined and known for their numerous activities. Although Mr. Fredrick loved his job a lot, his career goal was not set on becoming an educator! He was studying Pre Med at Pitt but was drafted into the service. It was not until 1 year after his return he realized he would like to become an educator. The entire Kiski student body and faculty is happy he made that change!

Mr. James-Frederick was a devoted principal here at Kiski for many years.

Teacher Of The Year

Student Council, the Key Club, the Pride Club, the Senior Citizens Banquet, and the Telethon Committee. What do all these things have in common? Mr. Max Israel, Kiski Area's 1993 Teacher of the Year, was responsible for all of them. Since 1962, when Mr. Israel took his first job at Kiski, he has shown interest in not only the students learning processes, but also in their extra-curricular enjoyment. After attending Waynesburg College for undergraduate work and Duquesne for graduate, Mr. Israel came to Kiski for one year and then to Leechburg High School for four years. Upon returning to Kiski, he made lasting friendships with people throughout the campus. The faculty and administration, along with the student body, appreciated all of Mr. Israel's contributions to our school. So while Mr. Israel is spending his retirement time in Florida or just sitting and reading a good book, we will all remember how his spot in Kiski's past will always positively influence Kiski's future.

Vo-Tech

Students who like to work with more than their minds have the choice of attending the Vocational Technial School in New Kensington. The skills and instinct the students posses are put to good use in such fields as autor-epair, caprentry, art, and medical as-sisting. There are interesting and challenging courses offered, and chal-lenging courses and valuable experi-ence can be gained so that employ-ment directly after high school graduation is a definite possibility. Vo-Tech is a very smart and beneficial choice. Students have the chance to spend time doing exactly what they enjoy most. They get to meet people from Franklin Regional, Burrell, and Valley School districts. Also, they are thinking of future employment and happiness.

Safety comes first to these students when they are welding.

Make sure that screw is in tight!

Two Vo—Tech students.

I can't figure out where this wire goes!

Watch your fingers!

VICA

V.I.C.A., Vocational Industrial Clubs of America, has an organized chapter here at Kiski. The president of V.I.C.A. is our very own Christen Tarpay. This group involves mainly students in VO-TECH. However, other students are welcome to join. Raising money for charities is one of V.I.C.A.'s primary interests.

It is important to read directions before beginning work.

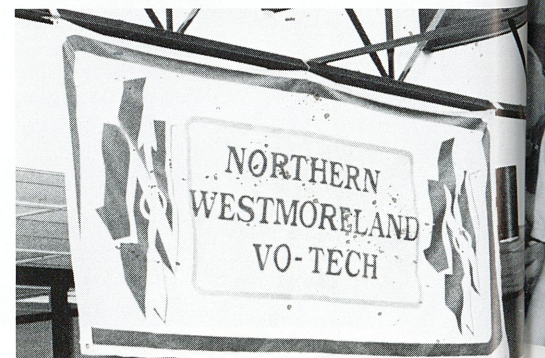

Taking a break?

Are you playing Pac-Man?

You better keep your eye on that drill!

The class looks on as two students finish some work.

Jack Machat waits for some icing.

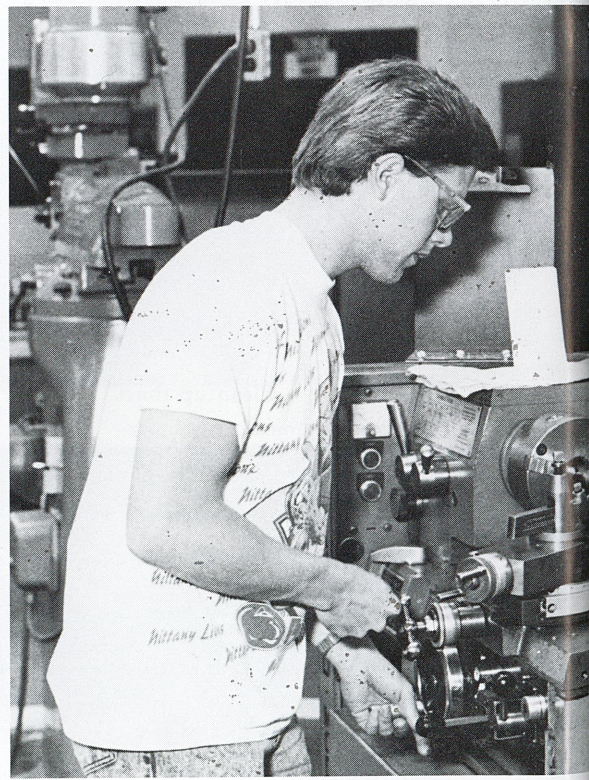

Artistically talented Pete Fleege displays one of his works.

Can I make an appointment?

Medical Assistant students work to save Annie's life.

You flick this, turn that . . . Could you repeat that?

Messing with wires can give you a new hairstyle. ZAP!

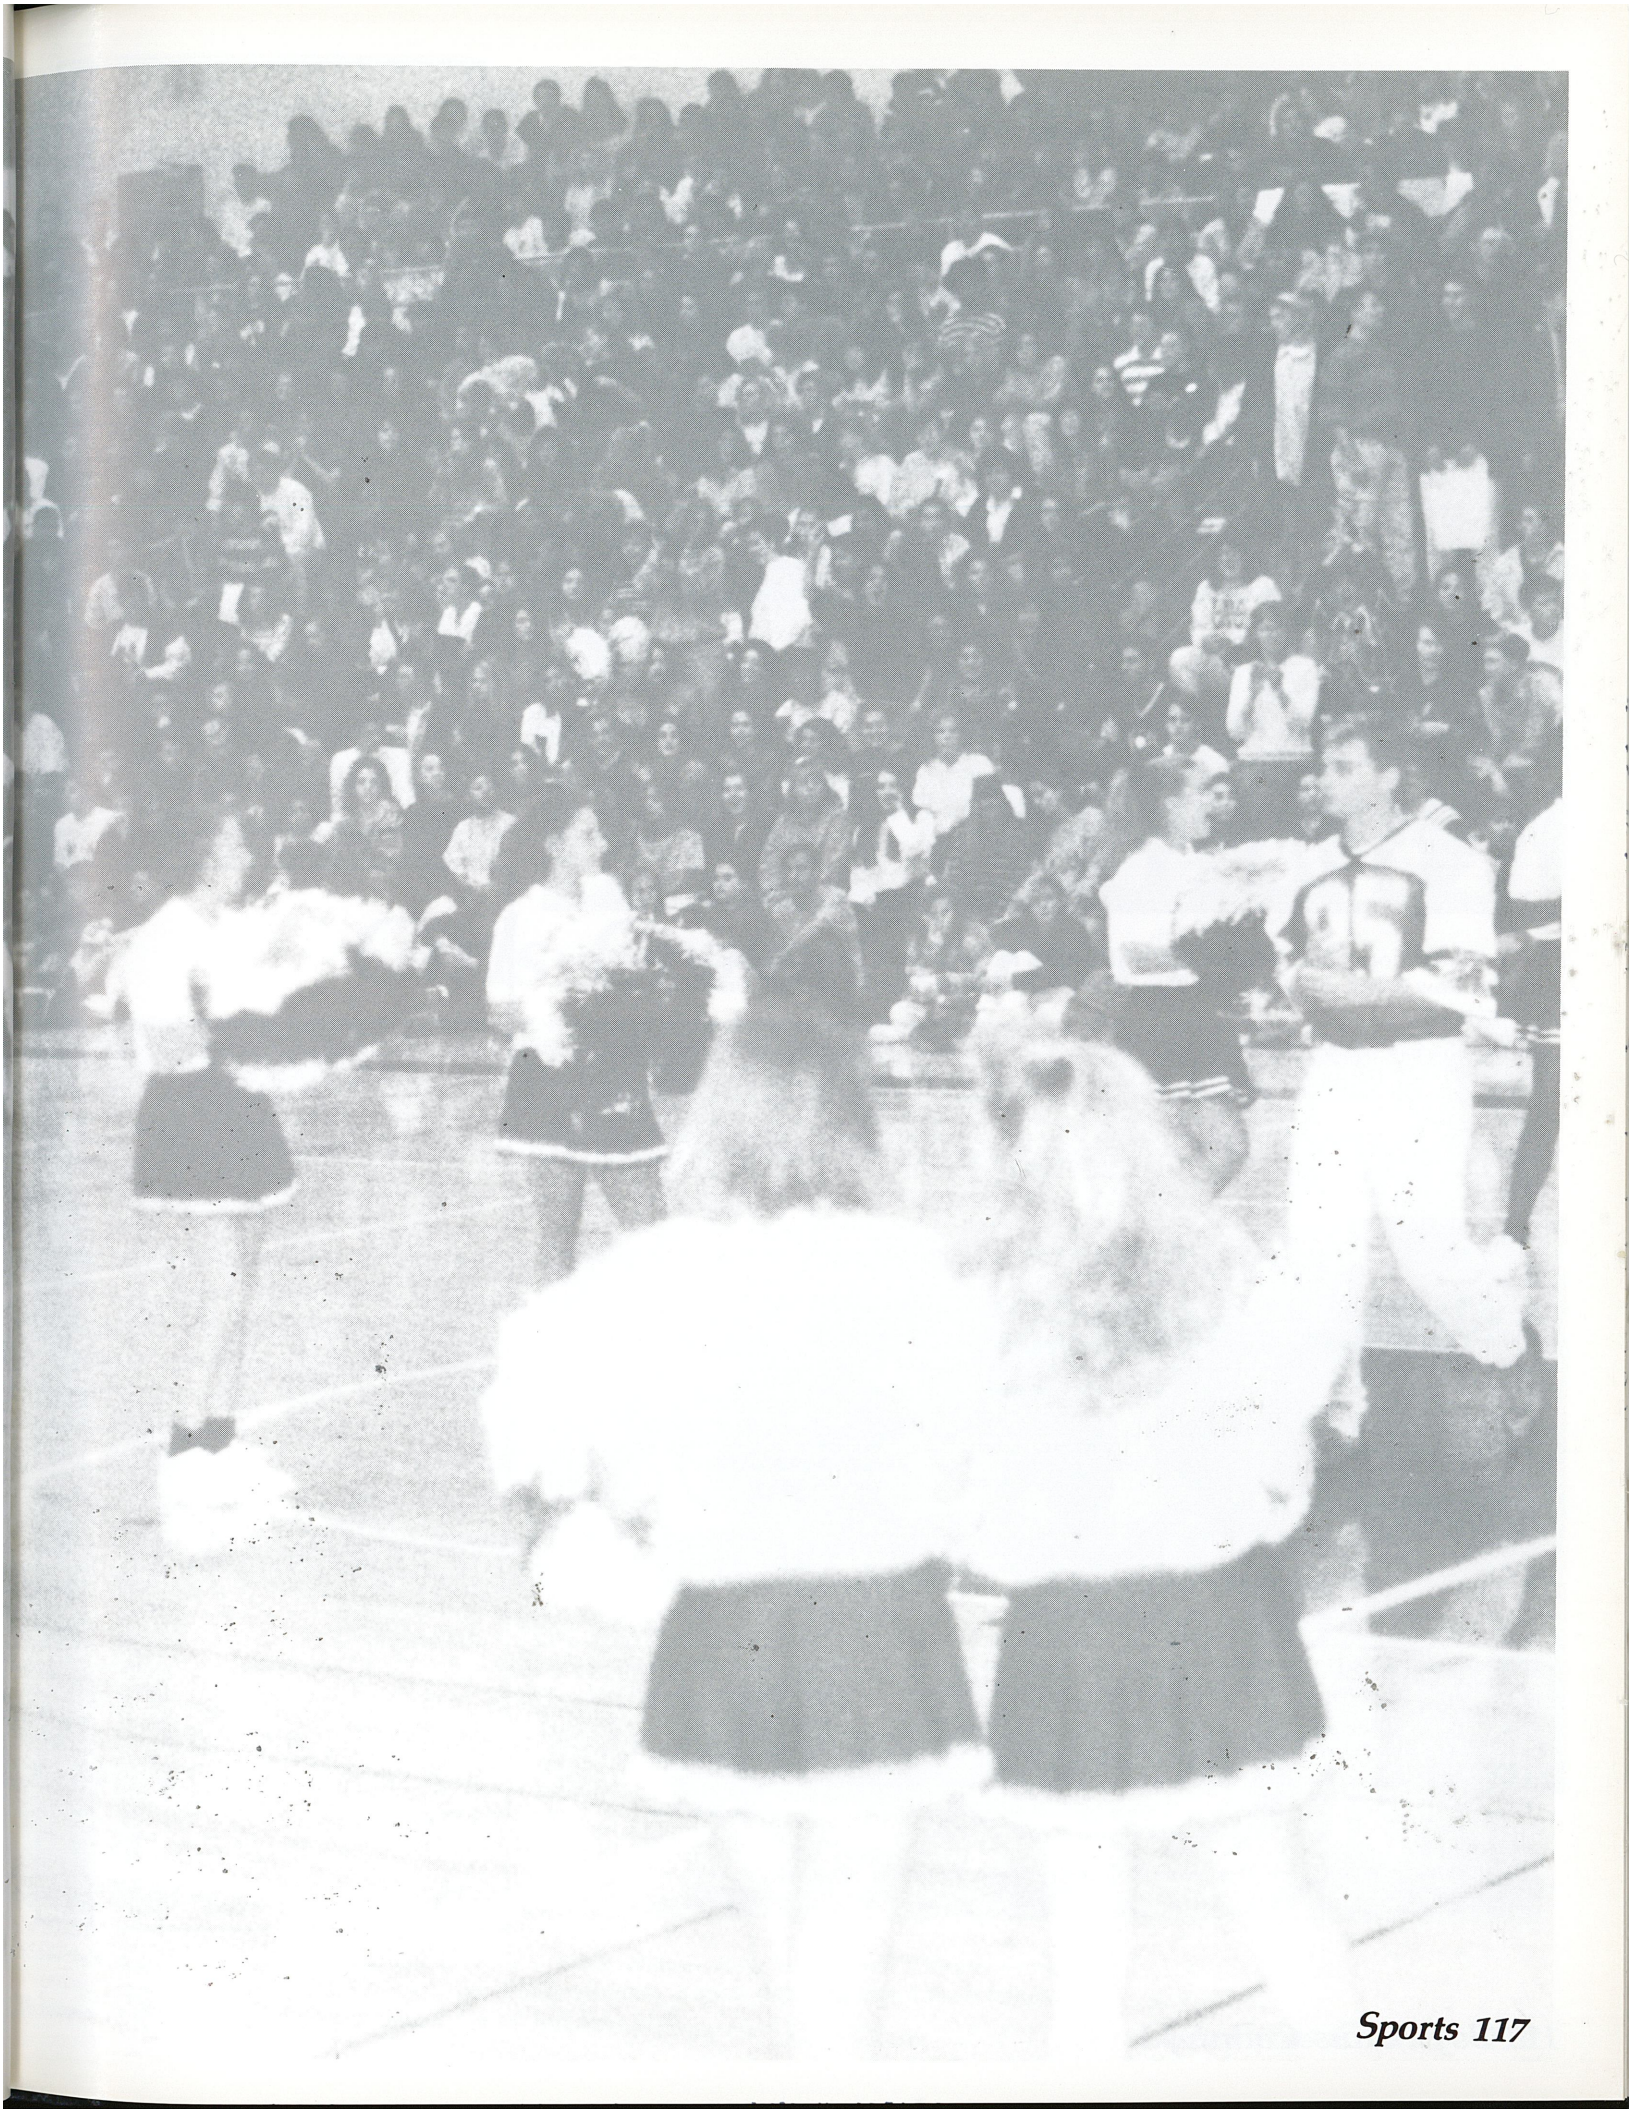

By the smile on his face, it's obvious that Norm enjoys his course of study.

Left: I got a flat too, do you think you can help?

Cross Country is one of the most successful teams at Kiski and it's easy to see why. Mr. Argyros, the coach, has his runners begin training in August by lifting weights and running. Cross Country is a very rigorous sport and takes much endurance on the part of the team members. The team has experienced many victories this year which helped everyone work together and make new friends.

The tennis team served up another great season. Each girl contributed their best, and together they worked their way to the playoffs. At the many after school practices the girls keyed in on their tennis skills and "aced" their way to many wins. Under the coaching of Mr. Ceraso the girls have improved their playing and increased their level of skill. Kiski Area is very proud of the team and excited about their many wins.

Whoosh! Another runner runs past for the forth consecutive time to successfully complete a mile. A discus whizzes past to land at the farthest point it can. A jumper goes up . . . and then down, landing with a thunk in the sand to beat his own personal record.

These are some of the many events at any one of the track meets. Coached by Mr. Halli, Mr. Argross, and Mr. Antenucci, all the track and field team members completed a very successful season. Good Job!

"Pay Back!" A 9-3 record is a definite payback. In fact, this great record led the softball team to the playoffs. However, the opening game, played at Hempfield, was lost in the last inning with a score of 3-2. Even if that one game was a disappointment the team was made up of many talented players. Kelly Hunt's power and Jackie Morlacci's throwing arm were more than impressive. Also, the team was led by Christie Baumann and pitcher, Kerri Troup. The all-around offense that Dawn Jackson projected put forth an attitude of victory. Kelly Shields and Jamie Lowers also were victorious in helping their fellow teammates. It is unusual for a sophomore to start, but Kristy Athey not only started but led everyone in hitting. Every girl on the team was always ready to use her talents to the fullest ability. Determination and intelligence made this team very special to coach, James Trunzo, who said, "Last season was very special to me, personally, because I hadn't expected to coach so working with this group and winning meant that I had no regrets about returning as coach."

Plagued by injuries for most of the season, the Cavalier football team had their work cut out for them. Under the supervision of Coach Dilts, the football team went into every game ready to win. The ninth grade football team has some pretty big shoes to fill when its members step up to the varsity football team next year. By the end of the season, they realized that all their long, hard practices had finally paid off. Looking forward to being on the "Big K" team, they will strive for excellence and perfection, the hallmarks of Kiski's success.

Kiski's swimming and diving team took a resounding splat in this year's competition. The team's dedication paid off, for after many long, exhausting practices, they improved throughout the season. Coached by Crissy Troilo, the team ended the season with the sense of accomplishment. As a swimmer waits for her race, she is filled with anxiety, but as she completes the final lap and finds out her time, even the smallest amount of improvement can make her feel triumphant. Congratulations to all the triumphant swimmers and divers on this year's team.

They also go caroling each year at Christmas time in front of Horne's Dept. Store in Monroeville Mall.

Student

Chrissy and Denise will help you at the student store.

Without Mandi Hinchman there would be no yearbook!!

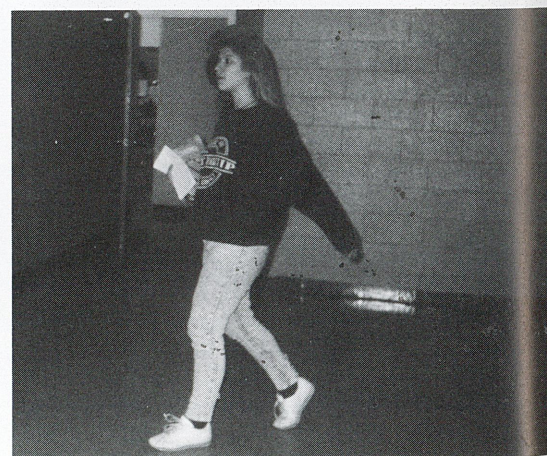

One time or another most students will admit to saying, "I wish there was no such thing as school!" However without school what kind of life would we experience? Kiski is very fortunate to have many clubs, activities, and events to form a strong student life. Attending an assembly, joining the ski club, or just going to lunch gives students a change to socialize with one another. Although there is over 1,000 students at the "Big K" there is at least one thing that makes us all unique.

Chris enjoys lunch with his friends.

The band works hard during every spare moment!

Lee Ann Rupert, Mr. Nicholas's student Secretary, runs an errand.

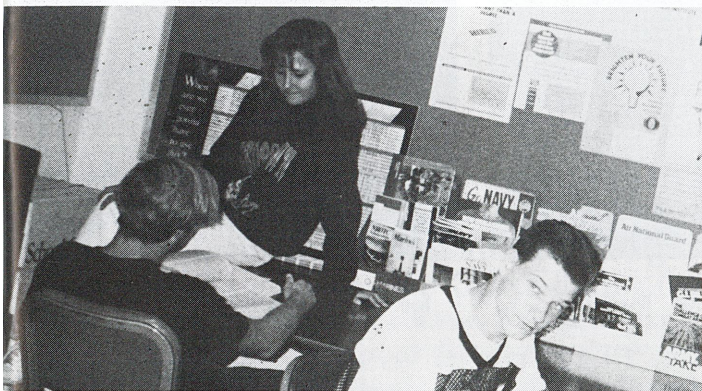

Life

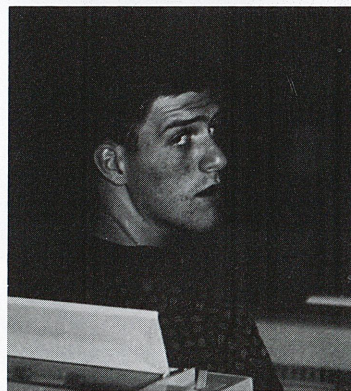

Vince and Larry were big supporters of the Christmas telethon!

The Buddies were very happy to see our photographer.

Guidance workers are always helping out our counselors.

Mike enjoys typing as a past time.

Marie wonders how to draw a page as Amanda looks on!

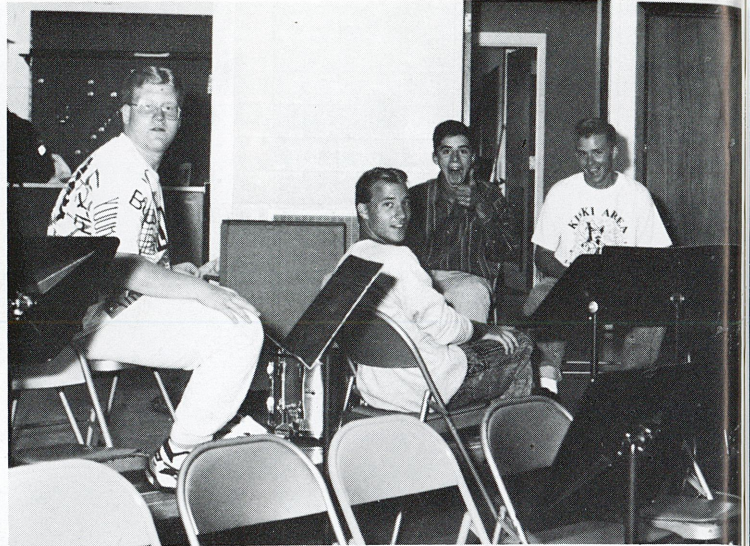

Members of the Jazz Rock have to practice for long hours.

Student Life

Bill and John are looking forward to a good lunch.

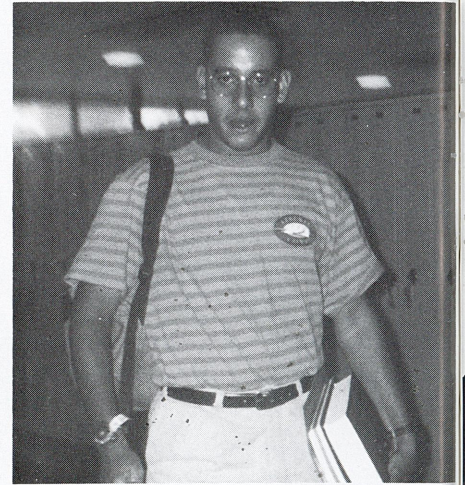

These band members relax before practice.

Peggy Genter is telling the latest gossip.

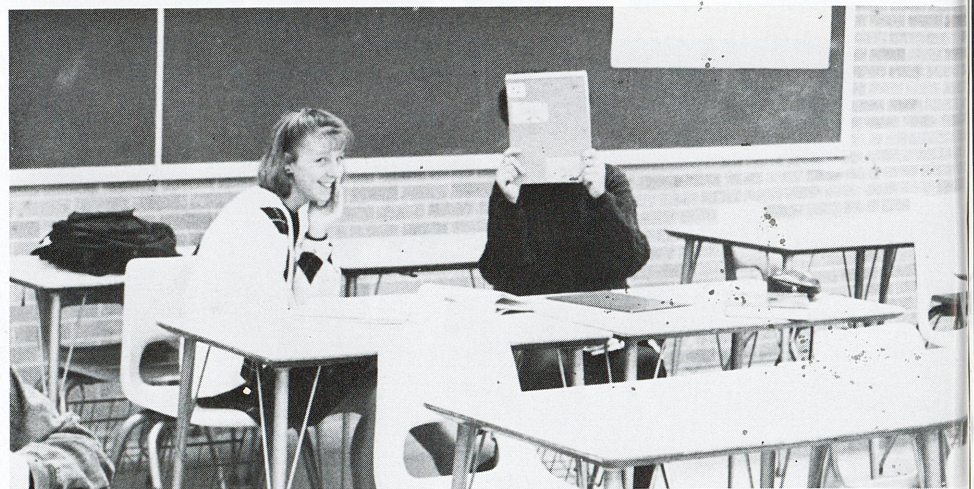

Is ther a full moon, Mark?

Joe Fullerton is proud to be a senior.

Muff, don't you seem too happy to be in school.

Judy and Gina, are you playing peek-a-boo?

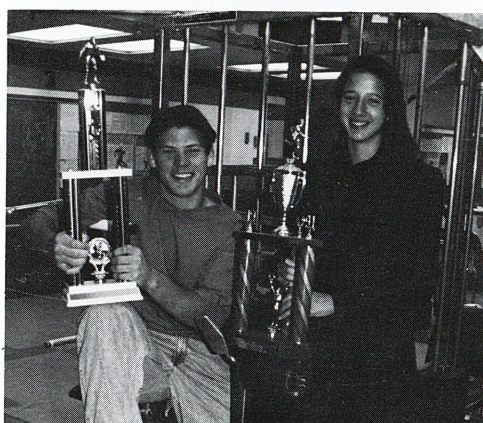

The Eastern Europe National Tournament. Doug Joseph has advanced to the finals to wrestle one of Germany's best. The tension is high. The match goes on until Doug wins by two points. A pushing fight follows, and Doug points to the American flag. The crowd gets mad. Doug says he felt like Rocky in Germany.

Doug spent part of the summer before his senior year wrestling in Germany and Czechoslovakia. In both of these countries, he trained by running and doing some yoga and other breathing exercises. However, the most interesting thing about the trip was the interaction with other young adults from all over the world. Besides gaining valuable experience and meeting new friends, Doug learned to appreciate the comforts of home.

Doug is getting ready to go away to college to major in child psychology. He is leaving a lot of good friends and memories of the good times. As he is leaving Kiski, he will remember Coach Tursky and has this advice for underclassmen. It's important to set a goal and strive for it, and take whatever comes each day. Try to be a happy person.

Doug would also like to thank everyone for supporting him through his training and competing overseas and throughout this season at Kiski. We were happy and proud to help you, Doug. Good luck in everything you do.

On December 27th through January 4th Kristen Poydence was in Colorado training at the Altitude Training Camp at the Air Force Academy. A typical day for Kristen during this trip included a lot of swimming, which is, of course, Kristen's expertise. During the daily lectures, she learned about the mechanical and scientific specifics of swimming. These lectures probably helped her to accomplish the times of 24.53 and 53.24 in the 50 and 100 freestyle sprints, respectively. This kind of dedication has paid off now and will definitely pay off in the future. Between weight lifting and double sessions of practice, Kristen also found time to make many friends.

Kristen is planning to major in pre-medicine. Even though she will miss the many friends she has made throughout her four years at Kiski, she is sure to continue successfully throughout her college career.

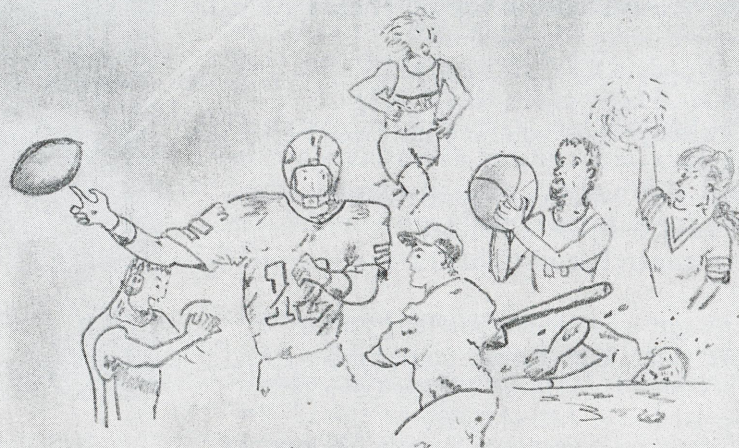

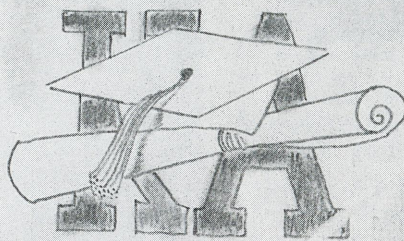

Kristen has this valuable advice for anyone who has goals for the future. Do your best in everything because, in the end, it will all pay off. You have to want to do well. We all wish you success in everything you do, Kristen.

REFLECTIONS

I remember days gone and things that
make me cry.
I reminisce about fading memories and
flowers that always die.
The magic that each day held and the way
life used to be,
Days with old friends when the future was
all we'd want to see.
But reflecting cannot fulfill all my
yearnings for the past.
If I had a star to wish upon, for one
more day is what I would ask.

I remember snapshots that reflect
the happiness we had.
I reminisce about the times you
stood by me, good or bad.
The time the word goodbye was said,
And that same time, when more
than one tear was shed.
The love I felt for you and the love
you gave to me,
When all I felt was what my
heart could see.
Now, today, I reflect to the future
and what lies ahead.
But realize, my friend, my memories
Will never be dead.
